I welcome you to the **2005-2006** edition of the **University of Tennessee Fact Book**. The UT e-Fact Book is presented in Adobe PDF format. It is best navigated using **Contents** within the Bookmark pane as found in **Adobe Reader 7.0.1 or higher**. Use the links at the left on this page to begin navigation.

The reader is reminded that Fact Book data reflect the reorganization of the University of Tennessee. Most of the tables include figures for the programs in Knoxville, Memphis, and Tullahoma, as well as the Institute for Public Service and the Institute of Agriculture. If you need information not found in the Fact Book, please contact the Office of Institutional Research and Assessment.

This project is supported by the cooperation of dozens of people across the University of Tennessee and I am grateful for their help. Within the Office of Institutional Research and Assessment, Elizabeth Pemberton is Fact Book editor, and Mozhgan Shahidi oversees the technical and production aspects of this project. A special thank you goes to Hongwei Yang for his invaluable assistance with this year’s edition. Their tireless work is greatly appreciated.

As always, I solicit your comments and suggestions regarding the Fact Book. Please contact me at **hip@tennessee.edu**, (865) 974-4373, or at 211 Conference Center, 600 Henley Street. You are welcome to bookmark our website at [http://oira.tennessee.edu](http://oira.tennessee.edu).
