

# Major Field Test Payment Request for External Reviewers

After your consultants have completed their review and evaluation of your major field test, please return this form to Michael McFall in the Office of Institutional Research and Assessment, 211 UT Conference Center (FAX: 974-1428). We shall then initiate the payment process. If the department prefers to pay the consultants directly and be reimbursed by us via transfer voucher, let OIRA staff know. Call 974-4373 if you have any questions. Thank you.
